Dear Mr Kathrada,

It was a pleasure to meet you and spend time with you and Mr Daniels on Robben Island. We so appreciate the time you spent with us, sharing your knowledge and experiences with us. I found it very moving being in the prison and hearing you talk about

life there and hearing you
talk about the leaders of the
struggle against apartheid.

I have almost finished
your book, which I have
found fascinating. I am most
impressed by your letters.
Sadly, that seems to be an art
that is disappearing.

Yours sincerely,
Allphine Rast
