Dear Sir.

Please would it be possible to have a signed photo of yourself. I would be very grateful to you if you could do this for me. It is a great sadness at the moment for you on the death of your friend Walter Sisulu I have just returned from Cape Town on holiday and on my visit I went to Robben Island I was deeply moved and hurt at the same time that I did not and could not imagine the pain and hurt that you and your friends went through for something that you believed in I felt and still do feel very

humble in writing this letter
to you. The world would be
a much better place if people
just read about your struggles
and listened more. I do hope
that in the near future that
everywhere not just South Africa
will learn to mix with people
of all creeds and manage to
help one another. My best wishes
goes to you and your family at
this time

Yours Sincerely
Nigel Jeanley

Hope you have
enjoyed your stay in
AREA.

Wishing you
the best of luck
in everything you do
and hoping
in the warmest way
that all goes well
for you!

Dear Ahmed Kathrada,

From James, my late husband, and Paul Joseph I heard a lot about you, and now that the Bremen choir, who James had taught many of the South African Freedom songs have produced this card, Paul and I thought you might like one of these too. It is sad that James couldn't live to see the day when you were all released, but I know he never quit fighting just like you and he always believed in the power of the people to bring about change. Keep it up!

Amanda!

Hi-how are you? I hope you are having a wonderful time back here in the States. It is very nice to know you are here. Mike, Abigail and I wish so badly that we could be in St. Louis to see you and spend time with you. From the sound of things you're going to be very busy while you are there. Leave it to my mom to be sure you only have time to sleep! ☺

I apologize for not responding more quickly with a thank you for our wedding gifts. What special mementos. The little doll is on a shelf in Abby's room. I enjoy seeing it each time I walk through her door. The Robben Island clock graces our family room and is the center of many conversations among our friends. And I enjoy, very much wearing the beautiful beaded bracelet.

Thank you so much for thinking of us.
We wish you could have made it to our
wedding. We missed you.

I am thoroughly enjoying reading
your book. It is captivating. I learn
more about you with each letter and am
very, very honored to know you. You
are truly a hero. I am extremely
inspired by you - past and present.

Please enjoy your stay in St. Louis.
I am sorry we'll miss you this time -
we are anxious for you to meet our
little Angel - Abigail. She's a true joy.

Thanks again for the gifts. They are
very special to us.

Love,
Mike, Tracy and
Abigail Carney

P.S. Please give each
member of my Family
A big hug for me. I
miss them all terribly.
Thanks. ☺
